

**COUNTY OF RENFREW**

**PUBLIC WORKS & ENGINEERING DEPARTMENT REPORT ADDENDUM**

---

**TO:** Operations Committee  
**FROM:** Lee Perkins, C.E.T., MBA, Director of Public Works & Engineering  
**DATE:** June 15, 2021  
**SUBJECT:** Addendum to Department Report

---

**RESOLUTIONS**

15. **2021 Project Extension - Contract PWC-2021-20 [Strategic Plan Goal No. 3(b)]**

**Recommendation:** THAT the Operations Committee approve the extension of the limits for the rehabilitation of County Road 65 (Centennial Lake Road) Contract PWC-2021-20 a distance of approximately 1 km at a cost of \$149,042.25 plus HST to Greenwood Paving (Pembroke) Ltd., Pembroke, Ontario.

**Background**

The proposed extension would increase the total length of the rehabilitated roadway from 4 km to 5 km with the project ending near Deer Mountain Road. The current 10 Year Capital Works Plan identifies the additional section of County Road 65 as being rehabilitated in 2022. Subject to the approval of the proposed extension, the work in this section of Centennial Lake Road would be removed from the future 10 Year Capital Plan. The original contract was awarded to Greenwood Paving (Pembroke) Ltd., by County Council on May 28, 2021.
