Prime Minister Justin Trudeau

Dear Prime Minister Trudeau:

Re: New Home Tax Rebate Program

At the regular Council meeting held on April 19, 2022, the Council for the Corporation of the Town of South Bruce Peninsula discussed the New Home Tax Rebate Program. Our Council is focused on increasing the instances where both attainable and affordable housing are available to more residents of not only South Bruce Peninsula, but all across Canada. Council is pleased that the New Home Tax Rebate Program exists, and they applaud the government's commitment to assisting new home buyers.

Council, in their review of the program, respectfully requests that the Federal Government reconsiders their portion of the program. Council is encouraged by the Province of Ontario's program and would like to see the Federal Government either mirror the rebate program implemented by the Province of Ontario, or alternatively, increase the purchasing threshold to an amount which is greater than the current \$450,000 ceiling. In today's housing market, the instances of new houses being purchased for anything under \$450,000 is extremely rare, making the receipt of Federal rebate money not possible for most new home buyers.

Council adopted resolution R-144-2022 which is attached to this correspondence. We look forward to your consideration of this important issue and receiving a response with regard to same.

Should you have any questions, please do not hesitate to contact our office.

Yours very truly,

Excerpt from Council Meeting Minutes – April 19, 2022

28. Notice of Motion – Mayor Jackson, New Home Tax Rebate Program

Discussion included the purchasing of homes and the government programs.

R-144-2022

It was **Moved** by J. Jackson, **Seconded** by K. Durst and **Carried**

Whereas attainable housing has been a concern for residents across Canada;

And whereas attainable housing is a priority for all levels of government;

And whereas the Government of Canada and the Province of Ontario have implemented HST and GST rebate programs for those purchasing newly constructed and majorly renovated homes;

And whereas the Province of Ontario rebate program applies to the first \$400,000 of the purchase price of the new home and land, as the case may be, with a maximum rebate of \$24,000;

And whereas the Government of Canada rebate program applies only to new home and land purchases, as the case may be, under \$450,000, with an incremental decrease in rebate as the purchase price reaches \$450,000 and the maximum rebate being \$6,000;

And whereas the cost of new home construction has risen exponentially such that the majority of Canadians cannot afford to purchase a newly constructed home;

And whereas the Province of Ontario rebate program goes a long way toward assisting Ontarians purchase newly constructed homes.

Now therefore be it resolved that the Corporation of the Town of South Bruce Peninsula requests that the Government of Canada reviews its rebate program and considers implementing their rebate program in the same manner as that of Ontario meaning that there is no incremental decrease applied to the rebate and instead a maximum rebate is established for new home purchases under \$450,000;

And that alternatively, if the Government of Canada does not see fit to mirror the rebate program of the Province of Ontario, that the Government of Canada increases its new home purchasing threshold to an amount significantly higher than \$450,000 which is reflective of today's housing market;

And further that Council's position on this matter is circulated to Prime Minister Justin Trudeau, Premier Doug Ford, MP Alex Ruff, MPP Bill Walker and all municipalities in Ontario.

Memorandum

To: Consolidated Municipal Service Managers
District Social Services Administration Boards

From: Cordelia Abankwa, Assistant Deputy Minister

Date: April 25, 2022

Subject: Selection of Phase 1 Service System Managers

Today, I am writing about the government's [announcement](#) regarding a significant milestone in its ongoing transformation and integration of Ontario's employment services. The Ministry of Labour, Training and Skills Development has selected Service System Managers (SSMs) for the Phase 1 catchment areas of York; Halton; and Stratford-Bruce Peninsula.

The new Service System Managers are:

- **York: WCG**
 - WCG is a Canadian subsidiary of the International APM Group Pty Ltd. (APM), a global human service organization based in Australia.
 - WCG is the current SSM for the prototype catchment area of Peel.
- **Halton: Fedcap Inc.**
 - Serving over 250,000 people each year across an international footprint (Canada, US and UK), the Fedcap Group delivers services within four major

areas of practice (workforce development, educational services, occupational health services and economic development).

- Fedcap Inc. is the current SSM for the prototype catchment area of Hamilton-Niagara.
- **Stratford-Bruce Peninsula: The Corporation of the County of Bruce**
 - The Corporation of the County of Bruce leads a consortium that includes the Corporation of the County of Grey, the Corporation of the County of Huron, and the Corporation of the City of Stratford.

These organizations were selected through a rigorous competitive process and have demonstrated their capacity to oversee the design, planning and delivery of the new integrated employment services model.

The Ministry will be taking extra time to complete the assessment and negotiation process for the remaining catchment area of Kingston-Pembroke and will provide further information and updates as they become available.

Transition Planning in Phase 1 Catchments

As with the three prototype catchments (Peel, Muskoka-Kawartha and Hamilton-Niagara), new SSMs will have up to twelve (12) months of Planning and Transition periods before assessing and making any potential changes in the local service delivery network. Lessons learned from the prototype phase demonstrated that this was key to successful transition. Referral of Ontario Works clients into Employment Ontario service delivery will begin after the Transition period. The ministry, as well as the Ministry of Children, Community and Social Services, will work with all delivery partners to provide support throughout the Transition Period. No funding will be impacted as a result of this change during the planning and transition periods.

Phase 2 Catchment Areas

On June 10, 2021, the government [announced](#) a multi-stage competitive process which would see SSMs selected for all catchment areas in Ontario between now and the end of 2023.

Progress continues on this phased provincial rollout, as the competitive process for Phase 2 catchment areas of Durham, London, Ottawa, Windsor-Sarnia and Kitchener-Waterloo-Barrie is entering the next stage.

The competitive process for Phase 2 catchment areas is expected to be completed by the end of 2022. The ministry will provide further information and updates throughout the process.

Further Information and Next Steps

As we continue to move through this process, I remain committed to providing regular updates to our service providers, partners and stakeholders. Additional details about what is happening now, and next steps, are available in a separate Qs and As document as part of this communication.

Looking ahead to the final phase (Phase 3) for Toronto, Northeast and Northwest catchment areas, the ministry is committed to actively consulting with municipal and community partners as well as stakeholders to inform the planning for the competitive process. Further details will be shared as they are available.

As the economy continues to reopen, many people will need quick and easy access to our services to find jobs and stay employed. Integrating employment services is key to better serving clients who need help now more than ever. As the transformation moves forward, we

are seeing encouraging early signs, both in terms of clients served and collaboration between SSMs and Social Assistance delivery partners.

Thank you so much for your ongoing partnership as we move forward with this important transformative initiative which will modernize Ontario's employment and training system.

Sincerely,

Debbie Robinson
Warden, County of Renfrew
9 International Drive
Pembroke, Ontario, K8A 6W5

Dear Debbie Robinson:

I am pleased to provide you an update on the 2022-23 roll out of the Canada-Ontario Community Housing Initiative (COCHI), the Ontario Priorities Housing Initiative (OPHI) and the Canada-Ontario Housing Benefit (COHB) programs.

Even though the fiscal year has already begun, the Canada Mortgage and Housing Corporation has still not yet agreed to the final details of a renewed Action Plan under the National Housing Strategy for 2022-23.

While we anticipate this will happen shortly, I would ask you to join me in reaching out to the Federal government and asking that they approve the renewed Action Plan for 2022-23 quickly. In addition, as our government continues to advocate for Ontario's fair share of federal funding for housing programs, I would also ask that you join us in our efforts to secure this critical funding by reaching out to the Federal government and asking for Ontario's fair share.

In the interim, to ensure stability and continuity of the housing programs upon which so many Ontarians depend, the Ministry is proceeding with implementation consistent with past practice and with the planning allocations provided to all Service Managers in August of last year.

Your confirmed 2022-23 NHS allocations for the interim period are attached to this letter as Appendix "A" and remain unchanged from the allocations communicated to you in August 2021. The key program design elements for the 2022-23 period have also remained unchanged. Please find enclosed the template for amending the relevant Transfer Payment Agreements, the Program Guidelines and Investment Plan for further details.

To ensure Service Managers and Indigenous Program Administrators are well-positioned to move forward with implementation in the 2022-23 year, we are requesting that the signed Transfer Payment Agreement (TPA) and Investment Plan be returned to the Ministry **as soon as possible but no later than May 31, 2022**. In recognition of the relatively late start of this process and to ensure continuity and stability of programming, you will note the Transfer Payment Agreement has already been signed by the Crown and will take effect upon execution by the service manager/Indigenous Program Administrator. We strongly encourage service managers and IPAs to return executed TPAs and approved Investment Plans to the Ministry to facilitate flow of funding.

Upon finalization of the Transfer Payment agreement and receipt of your Investment Plan, the Ministry will proceed to initiate your first payment based on your first quarter cash flow requirements as outlined in the Investment Plan, up to a maximum amount of 50% of your total allocation. You may submit your signed agreement and Investment Plan via e-mail to housingprogramsdelivery@ontario.ca.

My expectation is that you continue to administer NHS housing programs as usual, and that there is no interruption to housing services and supports. I trust this letter provides the certainty you need to proceed. If you have any questions, please contact ministry staff at your regional Municipal Services Office.

We sincerely appreciate your efforts to assist vulnerable people in your communities, and I look forward to continuing our work together as we move forward on these important changes.

Sincerely,

Steve Clark

1.2 The definitions in the Agreement shall apply to this Sub-Appendix C-3C, in addition to the definitions contained in section 1.1 above.

1.3 All references to section numbers in this Sub-Appendix are references to sections of the Sub-Appendix, unless otherwise explicitly stated.

2. AFFORDABLE RENT

2.1 During the Affordability Period, the Proponent shall not charge rent for a Unit in the Project in excess of the affordable rent permitted under this Sub-Appendix C-3C nor increase any rent charged for a Unit except as permitted in this Sub-Appendix C-3C.

3. RENTS

3.1 In no event shall,

- (a) the weighted average rent of all Units in a Project for which Program Funding has been utilized exceed eighty per cent (80%) of CMHC Average Market Rents in the geographical area, as determined in the most recent CMHC Annual Rental Market Survey;
- (b) rent for any Unit exceed one hundred per cent (100%) of the CMHC Average Market Rent for units of a similar type in the geographical area.

3.2 Notwithstanding 3.1(a),

- (a) in the event that eighty per cent (80%) of the CMHC Average Market Rent for units of a similar type in the geographical area is less than one hundred and five per cent (105%) of the modified shelter allowance under the Ontario Works program, the weighted average rent of all Units in a Project for which Program Funding has been utilized shall not exceed one hundred and five per cent (105%) of the modified shelter allowance under the Ontario Works program for units of a similar type;
- (b) in the event that CMHC Average Market Rent data is not available for specific unit types in the geographical area, or where CMHC Average Market Rent does not represent the average market rents of a particular community, alternate rents may be submitted by the Service Manager for review and approval by the Minister.

3.3 Notwithstanding 3.1(b),

- (a) in the event that one hundred per cent (100%) of the CMHC Average Market Rent for units of a similar type in the geographical area is less than one hundred and thirty per cent (130%) of the modified shelter allowance under the Ontario Works program, the rents of all Units in a Project for which Program Funding has been utilized shall not exceed one hundred and thirty per cent (130%) of the modified shelter allowance under the Ontario Works program for units of a similar type;
- (b) in the event that CMHC Average Market Rent data is not available for specific unit types in the geographical area, or where CMHC Average Market Rent does not represent the average market rents of a particular community, alternate rents may be submitted by the Service Manager for review and approval by the Minister.

3.4 If rent supplements are used for COCHI funded New Build Units, the Service Manager shall ensure that the total rent received by a Proponent, including rent from the tenant and the rent supplement, shall be subject to 3.1(b) and 3.3.

- 3.5 If federal and/or provincially funded rent supplements are used for COCHI funded New Build Units, the Service Manager shall ensure that when calculating the weighted average rent for a Project, the total rent received by a Proponent, including rent from the tenants and the federal and/or provincially funded rent supplement shall be considered.

4. RENT INCREASES

- 4.1 The Proponent may increase the rent charged under section 3.1 with respect to a Unit only if at least twelve (12) months have elapsed,

- 4.2 Subject to section 4.3, the Proponent shall not increase the rent pursuant to section 4.1 during the Affordability Period by more than the then prevailing rent increase guideline established for each calendar year pursuant to the *Residential Tenancies Act, 2006* or any successor legislation. The Proponent acknowledges and agrees that, regardless of whether the rent increase guideline under the *Residential Tenancies Act, 2006* or any successor legislation applies to the Project, the rent increase guideline applies by virtue of the contractual terms of the Agreement and this Sub-Appendix C-3C.
- 4.3 From the beginning of the eleventh (11th) year of the Affordability Period until the end of the Affordability Period, in addition to the increase permitted by section 4.2, the Proponent may, subject to any requirements of the Residential Tenancies Act, 2006 or any successor legislation, apply to the Service Manager to increase Unit rents to an amount not to exceed CMHC Average Market Rent for units of a similar type in the geographical area, or alternate rents approved by the Minister.

COCHI OPHI Initial Plan

COCHI-OPHI Investment Plan (IP) 2022-23

Case Number #: 2022-03-1-1683850615

County of Renfrew-AIMS

Introduction

- The Investment Plan outlines each Service Manager's planned financial commitments and projected take-up for their COCHI and OPHI annual planning allocations for 2022-23.
- The Investment Plan must be Council or delegated authority approved. The Ministry will review the Investment Plans to ensure consistency with the Bilateral Agreement and Program Guidelines.

Section A - Proposed Plan

This section is for you to describe how you intend to use your COCHI and OPHI funding allocation to address the housing needs of your community. The proposed program delivery plan should align with your Housing and Homelessness Plan and the Province's Community Housing Renewal Strategy. Please respond to the following questions in the space provided below.

1. What are the current and projected housing needs in your community? Please make direct reference (including page references) to your Housing and Homelessness Plan.

We intend to use our 2022-2023 COCHI allocation for a capital expense-new supply. We recently had an assessment completed regarding one of our single family properties that is currently vacant and in a poor state of repair. We intend to demolish this property and build a duplex in its place with 2 to 3 bedrooms per unit. One of the units will be rent-geared-to-income (replacing the house that we are losing) and the other unit will be affordable rent. We intend to use our 2022-2023 OPHI allocation to cover the expense of upgrades at social housing properties (rent reared to income properties owned by the service manager and local not-for-profit housing providers). \$250,000 of our OPHI allocation will be used to offer ten \$25,000 grants to homeowners within Renfrew County to create affordable secondary suites. The affordable housing deficit in Renfrew County is tremendous. The wait list for rent-geared-to income housing is on average 1200 households and the units in most demand are 1 and 2 bedrooms. COCHI and OPHI funding is vital in helping to maintain our aging housing stock and it is critical that we use this funding for capital components to ensure safe housing and to prevent the loss of affordable housing. The age of our housing stock on average is around 40 years. The planned use of COCHI and OPHI funding is supported by our 10-Year Housing and Homelessness Plan Goal 3, Objective 7:

GOAL 3: ENSURING AN ADEQUATE SUPPLY AND CHOICE OF HOUSING

- Objective 7: Retain and increase the affordable housing supply through effective strategies and planning policies

Case Number #: 2022-03-1-1683850615

County of Renfrew-AIMS

2. Which COCHI and OPHI program components will be delivered? How does your plan for use of funding address the current and projected housing needs in your community? What are the priorities and target client groups? Please indicate specific approaches to be taken in delivering the program.

Program components to be delivered: COCHI New Build and OPHI Ontario Renovates. The planned use of funding will address current housing needs by: 1)community housing regeneration and expansion (replacing one RGI unit, increasing one affordable housing unit owned by the County of Renfrew, increased up to 10 affordable rent secondary suites owned privately), and 2) improving the living conditions of households through repairing deficiencies in existing community housing. The priority and target client group consists of individuals and families with low incomes (a diverse demographic group that includes youth, seniors, people with health/addictions, people with disabilities, indigenous people, etc...). Specific approaches: building a duplex to replace a damaged RGI unit and add an affordable rent unit, identifying and completing important renovations to existing community housing stock to ensure safe housing and to continue the lifespan of the housing, adding 10 additional affordable rent units to our community through a \$25,000 grant program to support homeowners in creating secondary suites.

3. Leveraging the COCHI and OPHI initiatives is a key means to achieving the goals and outcomes outlined in the Province's Community Housing Renewal Strategy. Please indicate how your planned spending under COCHI and OPHI will lead to:
- a) Increased supply and appropriate mix of affordable and adequate housing;
 - b) People having improved access to affordable housing and supports that meet their needs to achieve housing stability;
 - c) Improved efficiency of the community housing system to ensure value for money and long-term sustainability.

a) Planned COCHI spending will increase supply by 1 family unit designated as an affordable rent unit. The OPHI Ontario Renovates component will help support the creation of up to 10 secondary suites.

b)The planned COCHI and OPHI spending will help to maintain current housing stock so that it is available to house existing tenants and welcome new tenants upon vacancies. Our existing community housing stock (service manager owned and non-profit owned) play a significant role in helping to achieve housing stability as rents are affordable and properties are maintained in a state of good repair.

c)The new build through COCHI and renovations through OPHI help to keep properties in a good state of repair and this reduces the risk for unplanned maintenance and in doing so provides sustainability and financial viability.

4. To be answered by Service Managers with Urban Native Social Housing units only. The Ontario-CMHC Bilateral Agreement requires the preservation of Urban Native Social Housing units to ensure that there is no net loss of the 1,452 units and that retained units will be improved through

repair, capital replacement, as well as through adequate rent affordability support. Please indicate how the COCHI funding you receive will help the Province meet this commitment?

Not applicable for County of Renfrew.

5. To be answered by Service Managers who utilize Rent Supplement component under COCHI. If you plan to enter into COCHI/OPHI-funded Rent Supplement Agreements with housing providers that have matured Operating Agreements and mortgages, please provide the following details:
- a) How many Rent Supplement Agreements do you plan to enter into over the reporting period?
 - b) What would be the average term (in years) of these Rent Supplement Agreements?
 - c) How many projects would continue to operate as community housing as a result of Rent Supplement Agreements? How many RGI units would be provided?
 - d) What would be the average depth of affordability (\$ per unit per month) associated with each assisted household?

Not applicable for County of Renfrew

6. To be answered by Service Managers/Indigenous Program Administrators who utilize Transitional Operating component under COCHI. Please describe what activities would be funded and what outcomes would be achieved.

Not applicable for County of Renfrew

7. Please provide details on your proposed uses of administration fee funding by the following activities:
- a) Staffing (including Mandatory Employment Related Costs; benefits and training/development);
 - b) General Office Expenses;
 - c) Purchased Services, Research, Consultations.

- a) no administrative expenses withheld for staffing
- b) administrative expenses withheld for general office expenses connected to advertising RFPs
- c) Administrative expenses withheld for professional fees and documents (examples-legal, architectural, engineering)

Attached as Appendix OW-I are the minutes for the Client Advisory Group meeting held virtually on April 20, 2022. Discussion items included eligible benefits, legislation, dental coverage, and community workshops. Input and feedback received during these meetings helps to inform service delivery improvements and ensure any concerns are addressed in a timely manner.

3. **Emergency Assistance for Ukrainian Migrants [Strategic Plan Goal #3 (b)]**

The federal government has created a new immigration stream for Ukrainian individuals and families fleeing the conflict in Ukraine called the Canada-Ukraine Authorization for Emergency Travel (CUAET). To provide support and assistance to individuals who have come to Canada through CUAET, the Ministry of Children Community and Social Services (MCCSS) has expanded access to the Ontario Works Emergency Assistance program to enable individuals to receive emergency financial support for up to 6 months.

The federal government has also recently announced that they will be offering short term financial assistance for CUAET migrants. The federal program will cover a 2-week motel stay and financial assistance in the amount of \$500/week for up to 6 weeks. Once this application process is up and running, staff will help newcomers in our community with accessing the financial assistance programs and other community supports.

4. **Social Assistance Service Delivery – COVID Temporary Measures [Strategic Plan Goal #3 (a)]**

Effective May 1, 2022, the Ministry of Children Community and Social Services (MCCSS) will begin to lift some of the temporary social assistance delivery measures that were put in place during the pandemic. Other measures will be maintained until permanent changes and technology enhancements are implemented in the months to come. Attached as Appendix OW-II is an email correspondence from Jeff Bowen, Director of the Social Assistance Performance and Accountability Branch detailing the business process changes.

Ontario Disability Support Program & Ontario Works Client Advisory Group

Meeting Minutes – April 20, 2022

The second meeting of the Pembroke Client Advisory Group hosted by Ontario Works (OW) and Ontario Disability Support Program (ODSP) was held on Wednesday April 20, 2022, virtually on the Zoom platform from 1:00-2:00 p.m.

Attendees: 3 ODSP caseworkers, 2 OW supervisors, 2 OW caseworkers, 3 OW members, 1 ODSP member

Regrettably absent: 1 ODSP manager, 9 ODSP members, 7 OW members

Agenda Items:

1. Introduction

OW caseworker began meeting by providing a land acknowledgment and welcomed everyone in joining the 2nd meeting of the Client Advisory Group (CAG).

2. Review of January 19, 2022, Minutes

Minutes from the last meeting were thoroughly reviewed with the following action items discussed:

- a) **Budget:** OW caseworker asked clients if they would be interested in the possibility of a budget workshop. It was mentioned that the school board offers a very helpful program and that, if there were enough people interested, the school board could possibly facilitate the workshop that would be open to the public.
- b) **Application process:** OW caseworker stated that the representative from the Disability Adjudication Unit (DAU) that was to be attending this meeting to discuss and answer questions regarding the Disability Determination Package (DDP) and the application process, was not able to attend but will hopefully be able to attend in the fall.
- c) **Healthy recipes:** Worker mentioned that a member who was going to share some healthy recipes during this meeting was regrettably unable to attend. An OW caseworker mentioned that she would be able to distribute some recipes on behalf of the member and that we can look forward to having her attend in the future.

Kathleen's
recipes.docx

- d) **Meeting invitation:** OW supervisor wanted to address that the County of Renfrew's normal practice is to have staff members attend CAG meetings and that the minutes from these meetings are shared with senior management, Community Services Committee, and the Ministry program supervisor.

Minutes were approved.

3. **Open Discussion**

a. **Program Issues/positives**

The members were asked what is working and what is not working within the programs. One member stated that they had no issues with their ODSP worker and that they would always call back and answer all questions. Another member shared that the recent interaction with their OW caseworker regarding funds for glasses went well and she felt that the process had improved since her last request. It was much simpler. The caseworkers appreciated hearing this feedback.

Member mentioned that they felt that there are a lot of variations in the rules to stay within the limits of what will affect one's monthly OW payment. They felt that a lot falls on a caseworker's discretion. They stated that there should be more transparency with the rules. OW caseworker stated that there is a Rights and Responsibilities (R&R) form that used to be reviewed and signed in office at application but with online applications, there can be a delay as to when a worker can go over that form with their client. Caseworker asked if the client would like a copy of their R&R form be mailed to him. The client stated that he would. OW Supervisor added that there are some differences between municipalities with discretionary funding and that she understands the frustration and would like to see more consistency between programs in the future. OW supervisor also added that the legislation is accessible online and indicated that we could put the links within the minutes:

[Ontario Works policy directives | ontario.ca](https://www.ontario.ca/gov/ontario-works-policy-directives)

[Ontario Disability Support Program policy directives for income support | ontario.ca](https://www.ontario.ca/gov/ontario-disability-support-program-policy-directives-for-income-support)

b. **Coverage/benefits**

Member asked why ODSP does not cover medical marijuana, which is prescribed by a doctor. Worker stated that it is a lengthy process to have items approved by the Ministry, and it could be a while before it could be added to the list of approved items.

Another member stated that while she was at a medical appointment for her child at CHEO, parking and mileage were covered but the daycare she needed for her other child

who was not able to attend the appointments was not. An OW caseworker informed that this information would be taken back for review.

c. OW/ODSP

Member asked if OW and ODSP were all under the same umbrella. A worker stated that ODSP is provincially run while OW is municipally run, but they both have provincial directives and regulations. Worker continued to break down the types of OW assistance that is available and spoke briefly about the other divisions in County of Renfrew Community Services department. It was also suggested to have someone from Housing attend the next meeting to talk about the various programs that they have available.

d. Dental Coverage

Member explained that they had a hard time booking dental appointments when they shared that they were on ODSP. ODSP caseworker acknowledged the issue and stated that there is a worker from the Pembroke Health Unit that she has been in touch with that can assist with referrals to local dentists in the area. OW caseworker also suggested that if someone needed to attend a dental office out of town that they would be able to claim medical transportation. Worker also added that there is a clinic in Ottawa (Algonquin College - Woodroffe Campus) that does basic dental work at a reduced cost.

e. Next meeting Items

ODSP caseworker mentioned that they will be hosting the next meeting and that a representative for the Disability Adjudication Unit should be available to attend closer to fall. They will also extend another invite to the member who will discuss her healthy meal recipes. Finally, it was also mentioned that it would be a good idea to invite someone from Renfrew County Housing Corporation to attend to provide further information on their programs.

f. Closing

OW caseworker thanked everyone for joining and taking time out of their day to take part in the meeting. ODSP caseworker thanked everyone as well and asked that the members do not hesitate to reach out with any questions.

Next meeting to be held on July 20th, 2022.

Subject: Social Assistance Service Delivery – COVID Temporary Measures

Quick Summary

The Ministry will begin to lift some of the temporary social assistance delivery measures that were put in place during the pandemic. Other measures will be maintained until permanent changes and technology enhancements are implemented in the months to come.

FYI for

- Ontario Works Administrators
 - CMSMs/DSSABs
- Social Assistance Service Delivery branch
- Social Assistance Centralized Services branch

What's Happening

As the province begins to return to regular business the ministry will begin to lift some temporary measures that were established at onset of the COVID-19 pandemic.

Effective May 1st the following eligibility related requirements and business processes will resume for Ontario Works and the ODSP:

- Healthcare Professional Verification of new health benefits such as the Special Diet Allowance (SDA) and Mandatory Specific Necessities (MSN). *Note: The automatic extension of expired benefits will be maintained until Fall of 2022*
- Ontario Works 24-month financial reviews
- EVP Audits
- Complaint Assessments (ODSP) and Eligibility Reviews (Ontario Works)
- Timelines for Disability Determination Packages and Medical Reviews
- OASA appointment scheduler will be available for use in SAMS

Effective June 1st, 2022 visual verification of client identity documentation will resume.

The ministry recognizes that some clients may have exceptional circumstances related to the pandemic and flexibility should be provided on a case by case basis.

Some temporary measures align with modernization initiatives and will be maintained until upcoming technology enhancements or program changes are implemented including:

- Expanded Emergency Assistance Program
- Allowing verbal consent, where signatures can not be immediately obtained, for Program Applications, CRA Income Verification form, EI Assignment of Benefit form, General Consent form, and Roles and Responsibilities form
- Deliveries from Vendors to ODSP Clients
- Short-term Assisted Devices Rentals

Several measures have improved client services or streamlined processes and will become a part of regular business moving forward including:

- Permitting legal clinics to sign/submit internal review requests and consent forms on behalf of clients
- Providing Disability Determination Packages directly to HCP
- Ending faxing with IRCC for verification of Immigration Category and Status, as an automated process is being implemented

Pembroke, ON K8A 5P1

Dear Mr. Searson,

The ministry has received Renfrew County Catholic District School Board's request for an Approval to Proceed (ATP) in the amount of \$23,490,782 for a 434 pupil place, four-room child care centre, and a one-room EarlyON centre addition at the St. Joseph's Catholic Secondary School including additional funding and approval to demolish the existing St. Thomas Apostle Catholic Elementary School (SFIS#4513), under s. 194(4) of the *Education Act*:

With regards to the proposed demolition of the existing St. Thomas Apostle Catholic Elementary School (SFIS#4513), as per *section 194(4) of the Education Act – Approval of Minister re disposition, demolition*, school boards shall not demolish a school building unless the board has obtained the approval of the Minister. Based on the information available, the ministry is satisfied that the board has devised proper alternative accommodation arrangement for the students at St. Thomas Apostle Catholic Elementary School and grants your board the approval to demolish the school once the addition at St. Joseph's Catholic Secondary School is completed.

The ministry has also reviewed the supporting information provided by the board for the additional funding and based on our review, the ministry is granting your board an approval to use \$951,395 of unincumbered Capital Priorities, approval for additional Capital Priorities funding of \$3,262,903, additional Child Care Capital funding of \$1,241,090, approval to apply \$3,900,000 of accumulated surplus, an acknowledgement to apply \$459,875 of School Renewal Allocation and an ATP in the amount of \$23,490,782 as outlined in the table below:

Funding Program:	Amount
Project ID #: 54-018	
Capital Priorities	\$11,003,416
Child Care Capital (including EON)	\$2,672,104
Subtotal	\$13,675,520
Additional Funding:	
Capital Priorities	\$4,214,298
Child Care Capital	\$1,241,090
Accumulated Surplus	\$3,900,000
School Renewal Allocation	\$459,875
Subtotal	\$9,815,262
Total Funding	\$23,490,782

Your board is responsible and will be held accountable for implementing appropriate measures to ensure that the cost for this project, is within the approved project funding of \$23,490,782. The board must receive ministry approval if the total cost of this project exceeds the amount the ministry has granted in this approval letter.

Please note that the Child Care Capital funding allocation that you have received for this project can only be used to address the capital costs related to the implementation of child care.

Your board's tender document for this project should be structured in such a way as to allow separate tenders for optional components of the design in order to allow the board to accept only the components that would fit within the approved project costs. The board should be prepared to reject portions of or the entire tender and may need to re-design the project such that the costs do not exceed the approved project funding.

The school board is required to internally restrict its Accumulated Surplus by \$3,900,000 for this project and ensure that this amount is reported in EFIS Schedule 5.5 "List of Committed Capital Amounts Funded by Accumulated Surplus" in the school board's next financial submission to the ministry.

Please refer to the attached **Appendix A - Communications Protocol**, for detailed requirements regarding public communications, events and signage related to the project.

Should you have any questions regarding this approval to proceed, please contact please contact the Capital Analyst assigned to your board. The list can be found at https://efis.fma.csc.gov.on.ca/faab/Contact_Us.htm.

AND WHEREAS the Provider is a child care provider as defined in the *Act* and has agreed to provide home child care as defined in the *Act*;

THEREFORE THE PARTIES agree as follows:

1. Definition

“Home” means the premises at which the Provider is providing home child care services.

2. Status

The Agency and the Provider confirm that this is a funding agreement and they specifically deny any intention or agreement to be or to become agents, one for the other, or to create a partnership or other relationship whereby either would be held liable for any tortious, negligent, contractual or other acts, either of omission or commission, of the other party. Neither party shall have any authority to act for or to

assume or to incur any obligations or responsibilities on behalf of the other party unless specifically provided for in this Agreement. The parties specifically agree that this Agreement does not create an employer/employee relationship between the Agency and the Provider.

3. Term

- a) Unless otherwise provided herein, this Agreement shall remain in force from May 25, 2022, until it is superseded or replaced by a subsequent agreement in writing between the parties, or unless terminated in its entirety by either party by giving to the other party thirty (30) days advance written notice of such termination.
