WHEREAS the province can, and should, invest more in the prosperity of communities; WHEREAS municipalities and the provincial government have a strong history of collaboration;

ADMINISTRATION DEPARTMENT REPORT

TO: Finance and Administration Committee

FROM: Craig Kelley, Chief Administrative Officer/Clerk

DATE: February 15, 2024

SUBJECT: Department Report

INFORMATION

1. Monthly Report – Chief Administrative Officer

On a monthly basis, and as identified in meetings with the Warden and other Committee Chairpersons, it was agreed that regular communication/updates from the CAO would be beneficial to members of County Council. These reports are not an exhaustive list of all activities currently being completed in this office; rather, they offer context on the implementation of Council decisions and provide a look ahead to the next several weeks.

The primary focus in January was the completion of committee discussions, leading to the budget workshop meetings on January 24 and 25, 2024. These meetings were very successful and the engagement was welcomed. We are reviewing the process that was undertaken this budget year and will be recommending some potential changes to the meeting and engagement structure for the 2025 budget year, later this year when we traditionally address budget meeting schedule(s).

January was also the ROMA (Rural Ontario Municipal Association) conference in Toronto, where the CAO's office coordinated five delegations through the County of Renfrew, and assisted with an additional three delegations with the EOWC (Eastern Ontario Wardens' Caucus). We were pleased with the delegations and will be assessing outcomes over the next few weeks, while we follow up communications with ministry staff. We will be evaluating the process we followed for delegations and modifying how we prepare our elected participants to ensure it is being done in an effective manner.

Recruitment is currently underway for two key Senior Leadership Team members; the Director of Community Services and the Director of Corporate Services. It is expected that the role in Community Services will be filled by mid-February as interviews are currently underway. Further to discussions regarding the StrategyCorp Inc organizational review, the position within Corporate Services has been redefined to put a greater emphasis on strategic planning and implementation, with an overall guidance role to the Treasury and other divisions within the department. It is expected that interviews will take place throughout March. Other organizational changes are expected to roll out this month, as indicated in this report.

The focus for the next several weeks will be working with the collaborative efforts of the Paramedic Service, Community Services, and Development and Property on the new health and housing initiative, tentatively named H²EART (Health & Home Engagement Action Response Team). We will be seeking meetings with the appropriate Ontario ministry staff and ministers in the coming months to advocate for funding for implementation and continuance. We will also be working with our partners in the health sector and with our municipal partners to ensure that we are meeting the needs of the community.

The CAO is the lead on the strategic advisory board of the EOWC, working alongside the Manager of Policy and Government Relations. Q1 2024 is shaping up to continue the busyness of 2023 with respect to the coordination of strategic planning efforts, coordination of the Chair's engagement with Provincial and Federal representatives, and rolling out key strategic priorities. We will be including bi-monthly updates from the EOWC in future meetings to County Council so information can be disseminated to the lower tier municipalities on efforts underway on a regional basis, including, but not limited to, the 7 in 7+ regional housing plan.

The CAO is also engaged with the Ottawa Valley Ontario Health Team (OVOHT) and is currently co-chairing a committee on Health Human Resources. We are in the midst of a strategic review and consultation period with those in and adjacent to the section that are affected by the (lack of) resources. A full report is expected by Q2 2024.

A number of other key initiatives have been or will be addressed in other committee reports by their respective Director, including an update on this year's Warden's Golf Tournament (June 7) and County of Renfrew Appreciation Evening (November 21).

2. Communications Report

We continue to make great strides in our engagement with the public and will be reporting on our success and new initiatives in this report and future reports. The County Communique remains our key piece of information for local municipalities, and a preliminary effort to continue the conversation surrounding shared services. We are examining the possibility of using the Communique as a method of communication with the public, using limited advertising resources.

Between April 15 and December 31, 2023, the Media Relations and Social Media Coordinator, wrote and prepared 13 media releases on County-related topics, and reviewed and distributed an additional 14 releases which were prepared by other departments.

Topics of the releases have ranged from the return of the Warden's Golf Tournament to the wrap up of the successful Summer Company program with a participant showcase at the Petawawa Youth Market, the presentation of the Warden's Community Service Awards and a release highlighting delegation meetings at the AMO conference.

On the social media side of things, we continue to aim for daily social media posts on Facebook, Instagram and X (formerly Twitter). In some instances, it is more when sharing posts from other divisions within the Corporation with their own pages (shares cannot be scheduled, so they are done at different times of the day). The Media Relations and Social Media Coordinator will also be posting on the County's LinkedIn account.

Social media posts include highlighting committee and council meeting dates, including sharing YouTube links to the meetings; employment opportunity posts, which are well received and shared widely; progress of Public Works projects including traffic disruptions and available funding programs through the Community Services Department.

Another aspect of the Media Relations and Social Media Coordinator position is serving as an Emergency Information Officer. In this regard, Significant Weather Event Public Service Announcements and social media posts throughout the spring and winter in addition to Water Condition Statements, flood watch and warnings and Air Quality Statements due to the widespread forest fires last spring are prepared. This information was well shared by local municipalities. This information sharing is meant to solidify the County of Renfrew's position as a trusted source for information during emergencies.

CORPORATE SERVICES DEPARTMENT REPORT

TO: Finance and Administration Committee

FROM: Daniel Burke, Acting Treasurer

DATE: February 15, 2024

SUBJECT: Department Report

INFORMATION

1. 2024 Final Budget

Attached as Appendix I is the final County of Renfrew 2024 Consolidated Budget, this document includes all items approved at the Budget Workshop held on January 24 and 25, 2024. The Adobe and Excel versions of this document have been posted on the County of Renfrew website at the following link: Budget and Finance Reports - County of Renfrew.

2. Association of Municipalities of Ontario (AMO) 2023 Statement of Remuneration

Attached as Appendix II is a letter dated January 25, 2024 from the Association of Municipalities of Ontario (AMO) providing details of the remuneration and expenses paid to Councillor Jennifer Murphy as a representative on the ROMA Board of Directors.

3. Council Remuneration

Attached as Appendix III is the Treasurer's Statement of Remuneration and Expenses paid to County Council as of December 31, 2023.

4. Provincial Offences Administration Workload

Due to technical difficulties with the Ministry of the Attorney General software, the details required to calculate the Provincial Offences Administration Workload summary statistics are not available this month, but will be provided in March.

5. Health Committee - Reallocation of Capital Funds - Bonnechere Manor

With the recent inspection of our resident bathing tubs and tub chair lifts, it was determined, that the tub chair lift replacements are a higher priority than the bathing tubs. Staff is recommending the reallocation of the Bonnechere Manor Capital Funds

from resident tubs to resident tub chair lifts. As per Corporate Policy GA-01 Procurement of Goods and Services, Section 22.1(c) "where only one source of supply would be acceptable and/or cost effective due to compatibility, or safety and liability concerns" the Chief Administrative Officer and the Director of Long-Term Care support the sole purchasing of the resident tub chair lifts to ARJO Huntleigh. All the lifts within the Home have been purchased from ARJO Huntleigh, which allows consistency for staff training, and usage, and as well, the maintenance and upkeep is manageable on standardized equipment. At the February 14, 2024 Health Committee meeting the following resolution was presented, and is being provided as information to Finance and Administration Committee:

"THAT the Health Committee recommend that County Council approve the reallocation of the Bonnechere Manor Capital Funds for resident tubs in that amount of \$70,000 for the purchase of ARJO Huntleigh resident tub chair lifts at a cost of \$64,392.78 inclusive of HST AND FURTHER THAT the Finance and Administration Committee be so advised."

2024 Budget Workshop Changes

The following changes were a result of business cases presented and approved by County Council at the January 2024 budget workshop:

Consistent with County of Renfrew Policy B-04 Classification Review System requests completed in December 2023, several positions were brought forward with amended job descriptions. Accordingly, these positions were scored utilizing the County of Renfrew's job evaluation tool, which resulted in changes in their respective points, thereby warranting movement on the non-union staff salary grid within Employment By-law #1 as follows:

- a) Moving of the Labourer position from Group 1 to Group 2; and
- b) Moving of the Construction Supervisor position from Group 7 to Group 8.

Housekeeping Changes

Due to organizational changes over the last several years, the following positions need to be removed or added:

- c) Adding of the Help Desk Support position in Group 4;
