RESOLUTIONS

3. Memorandum of Understanding with Community Living Upper Ottawa Valley

Recommendation: THAT the Renfrew County Housing Corporation (RCHC) Board of Directors enter into a Memorandum of Understanding with Community Living Upper Ottawa Valley (CLUOV) to designate two units in the Community Housing building located at 1030 Lea Street, Pembroke, Ontario, to tenants on the centralized wait list who are receiving Community Living supports.

Background

The RCHC and CLUOV aim to cultivate an environment where residents can live with dignity, fostering a neighbourhood where they have opportunities to participate and integrate into the community. CLUOV endeavours to support their tenants in integrating them into buildings with residents from diverse backgrounds while also safeguarding

access to stable housing. CLUOV agrees to a donation of \$200,000 to RCHC in exchange for two affordable housing units to be designated to CLUOV for a 15-year term. The RCHC values its ongoing partnership with CLUOV and recognizes the importance and stability derived from a consistent presence of both CLUOV tenants and support staff within community housing buildings. The proposed Memorandum of Understanding, attached as Appendix II, would be advantageous for both organizations and aligns with our shared objective of providing secure and stable housing for vulnerable populations.

INFORMATION

1. Treasurer's Report

Attached as Appendix RCHC-I is the Treasurer's Report for the Renfrew County Housing Corporation as of March 31, 2024.

2. 10-Year Housing and Homelessness Plan

The Renfrew County Housing Corporation has engaged [OrgCode Consulting](#) to develop a comprehensive 10-Year Housing and Homelessness Plan. This initiative is part of the broader Mesa project, with its goals and strategies aligning with both Mesa and the County of Renfrew's Strategic Plan. Iain De Jong, President, and CEO of OrgCode Consulting is a well-respected figure in the realm of housing and homelessness solutions. With a track record of aiding numerous municipalities in crafting housing strategies, authoring a definitive book on Ending Homelessness, and maintaining affiliations with key housing-focused organizations like the Canadian Alliance to End Homelessness, De Jong brings extensive expertise to our community.

Next steps:

- Phase 1 activities are underway, encompassing data analysis on housing stock, demographics, core housing needs, homelessness, etc., alongside key informant interviews.
- Phase 2 will entail consultations with County staff, non-profit housing providers, individuals with lived experience in housing, those with lived/living experience with homelessness, the business community, and the public.
- Phase 3 will center on conducting a community survey to gauge the desired future housing state.
- Phase 4 will involve comprehensive analysis and research.
- Phases 5 and 6 will focus on plan development, monitoring, evaluation, and implementation.
- Completion of the new 10-year housing and homelessness plan is anticipated by September 2024.

3. New Construction – Addition of Rent-Geared-to-Income Units

Renfrew County Housing Corporation’s construction projects in Pembroke are in their final stages. At 202 Cecil Street, a duplex with two bedrooms each is nearing completion, while at Lea/Douglas Street, four single-bedroom units and four two-bedroom units are being finalized. We expect occupancy permits to be granted on or before May 31, 2024, with new tenants ready to move in shortly afterward. Tenants will be chosen based on the standard chronological procedure, utilizing both the RCHC transfer waitlist and the centralized waitlist. All units are allocated as Rent-Geared-To-Income, and the maximum rent rates will align with those of other RCHC units of comparable bedroom sizes.

On May 3, 2024, we had the pleasure of hosting a ribbon-cutting ceremony at the Lea/Douglas Street development to officially acknowledge the Province’s generous contribution of \$3.1 million to the project. Associate Minister of Municipal Affairs and Housing, Rob Flack, together with local MPP John Yakabuski, offered words of support and encouragement. They were joined by County of Renfrew Warden Peter Emon and City of Pembroke Mayor Ron Gervais who asserted the importance of continued affordable housing development in non-metropolitan Ontario. Following the ceremony, attendees were offered a tour of two units, providing a glimpse of this exciting new housing initiative. An Ontario media release, [“Ontario Building Supportive Housing in Pembroke”](#) was issued that afternoon.
